NATIONAL PIKE DISTRICT 2017 WEBELOS-O-REE

This year's Webelos-O-Ree is at **Broad Creek Memorial Scout Reservation, Camp Saffran**, in Harford County (Map included in package).

THE OUTDOOR CODE

**As an American, I will do my best to-
Be clean in my outdoor manners,
Be careful with fire,
Be considerate in the outdoors, and
Be conservation minded.**

Judging of campsites will reflect the Outdoor code. The schedule provides more time for completion of the activity trail on Saturday and time for the boys to perform the campsite activities that have in the past been done by the adults. Campsite judging will reflect this, as points will be awarded for boy participation in cooking and cleaning up activities. Schedule changes also have an extra leader meeting midday Saturday.

Vehicles and Parking

Scout Reservation rules are that only one vehicle/unit at a time is allowed to go back to the campsites to unload. All vehicles must be kept in the parking areas. No vehicles may be parked in the campsites or along the access roads. There is also a limit to available parking. We strongly advise and encourage carpooling to this event. "Be conservation minded" Please note this and make sure that all of your adults know and understand these restrictions.

Suggested areas for Leaders and Scouts to review:

KNOTS	FIRE SAFETY
FIRST AID	POISONOUS PLANTS
CAMP SAFETY	SNAKES
CAMP SETUP	THE OUTDOOR CODE
COLD AND WET WEATHER CAMPING

ADDITIONAL INFORMATION

Religious services are scheduled to be conducted for Catholic, and Protestant groups. See schedule for times. Locations announced at Leaders Meeting Friday.

Vehicles:

We strongly advise, encourage and plead carpooling to this event.

One vehicle per unit at a time will be allowed to unload at their campsite Friday afternoon/evening and must immediately be removed to the parking area.

Set up your campsite after your vehicle has been parked in the proper area.

No unit vehicles will be allowed to enter the camping areas until 12 noon on Sunday, after closing ceremonies.

Anyone leaving early must pack out their gear. The Staff will make every effort to accommodate special needs or emergencies with staff vehicles during the event.

Parking Passes listing the Pack number will be issued and must be placed on the dash so the staff can contact you if there is a problem with your vehicle.

Vehicles in camp without displayed passes will be towed!

Units found in violation of vehicles in campsites will be asked to leave.

Boys entering and leaving Camp: We ask Leaders to strongly discourage this. All registered campers leaving or re-entering camp will have to log-out and log-in at Webelos-O-Ree headquarters. Webelos Den Leaders have the responsibility of bringing the boy through HQ and seeing that he is properly logged out and in the custody of his parents or a designated guardian. Parents will not be allowed to drive into the camping area but can enter by foot to find their sons but a Leader still must check him out. Leaders, for safety, liability and youth protection, you need to explain this to any parent planning to pick up their child during the weekend.

Webelos-O-Ree HQ and Crackerbarrels: Leaders and all adults are welcome to stop by and relax at HQ. Coffee and Hot Water for tea or hot chocolate will always be present. **Bring your own cup!** All adults are welcome to the evening crackerbarrels. Drink and snacks will be available as well as Adult Scouter fellowship. Last minute updates and information will be relayed here as well. Remember to maintain your two-deep leadership back at the campsite. Except for First Aid we ask that you do not bring the boys into HQ.

Trash: Units will be required to pack out their own trash.

The Staff directors will be looking for units to use less disposable items.

The use of paper plates, cups, and plastic ware is strongly discouraged and will be reflected in the campsite judging.

Be conservation minded.

Latrines are located in all the campsites. In addition bathrooms are located at the pool-house. Please do not place trash in the latrines!

Water: A suitable water supply is located in each campsite area. Use water wisely. Be conservation minded.

Pets: No pets are allowed on the Scout Reservation.

Cooking and Fires: National BSA policy requires any liquid fuel to be under adult control and in a secured area away from flames when not in use. Ground fires are permitted in existing fire-rings only. Only propane stoves, charcoal, and wood are permitted. UNATTENDED FIRES WILL RESULT IN SEVERE PENALTIES. Be careful with fire.

Conduct: Conduct becoming of a good scout is expected at all times. As Webelos and Webelos Leaders, we are expected to conduct ourselves according to the SCOUT OATH AND LAW. Adults at the Webelos-O-Ree are responsible for seeing that good conduct and safety rules are followed. Unit Leaders will be responsible for handling problems as they are brought to their attention.

Buddy system: Boys must always travel in at least pairs. No boy should be permitted to leave the campsite after taps without the permission and knowledge of the unit leader and never alone. If an adult is escorting the boy remember your “two deep leadership” if that adult is not the parent. Avoid a one on one situation!

FIRST AID: A first aid station will be located at Headquarters and a trained First Aider will be available all weekend.

Cutting of Trees: Cutting of live trees, shrubs or other vegetation is forbidden.

Smoking and Alcoholic Beverages: National BSA policy dictates that there can be NO SMOKING anywhere on the campground and NO ALCOHOLIC BEVERAGES.

Prohibited Equipment: No Guns, Bows and Arrows, Machetes, Axes, Fireworks, Video Games or Radios. If these items are found they will be removed by the Staff. Unit Leaders may pick them up at checkout on Sunday.

FAQs

Can we come up and set up early? Yes some staff will be at camp most of the day on Friday, there is however no scheduled program on Friday for the boys.

Can I bring siblings? While this is discouraged siblings can attend. The non-patch registration fee should be included to cover Broad Creek Camp fees. Siblings should not expect to participate in program activities.

I have Webelos whose parents can't or won't attend, can they come? Yes, but BSA policies state that every Webelos boy must have an adult responsible for him and it cannot be the Webelos Den Leader. In other words some other attending parent must assume responsibility for that boy.

I have boys that have other activities to attend on Saturday; can they come later or leave and come back? This should be discouraged, due to the tightness of the day's schedule and the difficulty in locating your group on the trail. Also the Camp is over an hour away from Howard County.

If someone must leave make sure that they sign out and in at HQ and that the boy is in the custody of his parent or designated adult.

Can boys sleep with their parents? This should also be discouraged if possible. Have boys share tents with each other. Under no circumstances can a boy share a tent with an adult that is not his parent or "legal" guardian. (Youth protection guidelines). Boys cannot share tents with Uncles, Aunts, or Grandparents.

We are in need of camping gear, do we have to go out and buy all of this? No, contact a nearby Scout Troop and see if they can loan you the equipment you need for the weekend. They may also be able to loan you a Scout or even an Adult Scout Leader to help you during the weekend.

Do we need medical forms for each boy and adult? At minimum all leaders should have a class 1 medical form for each individual. This provides basic medical information. Class 2 (medical examination) is not required for a weekend camp.

Is the camp/program providing meals? No the W-O-R staff is not running the dining facility for the weekend. It is the responsibility of each group to plan, buy and prepare their own meals. This is also part of the campsite judging.
